

## **Dargues Gold Mine - Modification 3**

The Dargues Gold Mine is pleased to provide a response to all submissions received during the public exhibition of Referral EPBC 2015/7539 made under section 95A of the *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

This notice is published pursuant to Section 95B(4) of the EPBC Act.

Application Number: EPBC 2015/7539  
Applicant: Big Island Mining Pty Ltd  
Location: Majors Creek, New South Wales  
Local Government Area: Queanbeyan-Palerang Regional Council  
Controlled Action: Listed threatened species and communities (section 18 and 18A) under Part 3 of the EPBC Act.

The Proposed Modification is being sought to permit the following.

- An increase to the total ore to be extracted.
- Extension to the end date of the mine.
- Construction and use of the Eastern Waste Rock Emplacement and a vehicle crossing over Spring Creek.

Preliminary Documentation was prepared for the proposed modification, including relevant environmental baseline and impact assessment studies. This information along with the response to submissions received during the public exhibition of the Preliminary Documentation is available from.

- Braidwood Library – Park Lane, Braidwood, NSW 2622.
