0.01" equates to approximately 0.1 metres. MGA Zone:54

1.  
All aquatic organisms held on the Licensed Site are for tourism purposes only and cannot be sold.
2.  
The Licensee must ensure that the maximum biomass of wild caught Southern Bluefin Tuna (*Thunnus maccoyii*) on the Licensed Site does not exceed 5 tonnes.
3.  
The Licensee must ensure that the maximum biomass of Licensed Species, other than wild caught Southern Bluefin Tuna (*Thunnus maccoyii*) on the Licensed Site does not exceed 500 kilograms.
4.  
The Licensee must undertake an environmental monitoring program of the sea floor in relation to the Licensed Site when directed by the Minister in writing and in a manner and form determined by the Minister.
5.  
The Licensee must carry out or cause to be carried out a regular in-situ cleaning regime for farming structures consistent with the Commonwealth of Australia Anti-fouling and In-water Cleaning Guidelines.
6.  
The Licensee must maintain accurate records of any in-situ cleaning carried out for farming structures and produce them for inspection upon request by an authorised officer.
7.  
The Licensee must, if directed by the Minister, remove or cause to be removed any farming structure from the Licensed Site and clean or cause to be cleaned the said farming structure in a manner and form determined by the Minister.
8.  
The rights under this Licence are personal to the Licensee and cannot be sub-licensed.
9.  
The Licensee shall in the event that it receives reasonable direction from the minister to do so, cease and desist from any activity which in the reasonable opinion of the Minister may tend to cause environmental harm (as defined in the Environment Protection Act 1993).
10.  
The Licensee shall at all times during the term of this Licence comply with the requirements of all statutes, regulations, by-laws, ordinances, rules or other forms of statutory instruments or delegated legislation applicable to the Licensed Site or to the use of the Licensed Site by the Licensee, including but not limited to the Aquaculture Act 2001, Aquaculture Regulations 2005 and the Livestock Act 1997.
11.  
The Licensee shall at all times during the term of this Licence comply with the requirements of all notices, orders or requirements lawfully given or made by any authority or authorities in respect of the Licensed Site or the use of the Licensed Site by the Licensee, including but not limited to those given or made pursuant to the Aquaculture Act 2001, Aquaculture Regulations 2005 and the Livestock Act 1997.
12.  
A reference to any legislation or to any provision of any legislation includes all legislation, regulations, proclamations, ordinances, by-laws and instruments issued under that legislation or provision and any modification, consolidation, amendment, re-enactment or substitution of that legislation or provision.

**13.**

The telephone number provided to the Licensee for the purposes of notifying the Minister under the Regulations 20 and 21 (entanglement of certain animals and escape of stock) is 1800 065 522, or such other number as notified by the Minister to the Licensee in writing. The telephone number for contacting the Minister for any other matter is (08) 8204 1380 or such other number as notified by the Minister to the Licensee in writing.

**14.**

The facsimile number provided to the Licensee for the purposes of notifying the Minister under the Regulations 20 and 21 (entanglement of certain animals and escape of stock) is (08) 8204 1388, or such other number as notified by the Minister to the Licensee in writing. The facsimile number for contacting the Minister for any other matter is (08) 8204 1388 or such other number as notified by the Minister to the Licensee in writing.

**15.**

Each word, phrase, sentence, paragraph and clause of this Licence is severable. If a court determines that a part of this Licence is unenforceable, invalid or void that court may sever that part. Severance of a part of this Licence will not affect any other part of this Licence.

**16.**

Where a word, phrase, sentence, paragraph, clause or other provision of this Licence would otherwise be unenforceable, invalid or void the effect of that provision shall so far as possible, be limited and read down so that it is not unenforceable, invalid or void.
