

## Opportunity for public comment

### Overtaking lane upgrade, Bruce Highway near Bauple-Woolooga intersection, Queensland (EPBC 2015/7558)

#### Request for a reconsideration of decision under s78A of the *Environment Protection and Biodiversity Conservation Act 1999*

On 21 October 2015, the proposal to modify and extend the northbound overtaking lane of the Bruce Highway near Bauple-Woolooga Road intersection, approximately 40 km south of Maryborough, Queensland was determined to be a controlled action under *Environment Protection and Biodiversity Conservation Act 1999* (EPBC Act).

The Minister for the Environment has received a request under Section 78A of the EPBC Act to reconsider the decision made under subsection 75(1) of the Act, on the basis of substantial new information about impacts to listed threatened species and communities.

Members of the public are invited under subsection 78B (6) of the EPBC Act to provide comments in writing on this request.

The following documents are provided for reference:

- The request for reconsideration; and
- Supporting documentation.

Submissions must be received at the following e-mail or postal addresses, referencing the project number EPBC 2015/7558, no later than 21 July 2016:
